2004 Article Index

The year in review

The following is a listing of all technical articles, features and news items that appeared in *Wire Journal International* during calendar year 2004. Items are arranged by categories.

Companies may arrange for reprints by contacting the WAI headquarters at tel. 203-453-2777; fax 203-453-8384.

2004 WJI Cover Stories

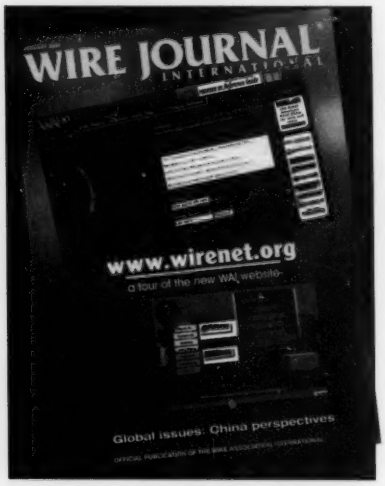
Jan.: "www.wirenet.org: a tour of the new WAI website," *p. 40.*

Feb.: "Lean Manufacturing/Six Sigma," *p. 40.*

March: "Extruders," *p. 42.*

April: "Wire Expo 2004," *p. 39.*

May: "Straighteners and welders," *p. 54.*



June: "Asian Outlook," *p. 44.*

July: "Equipment, Part 1," *p. 46.*

Aug.: "Mexico ITC preview," *p. 36.*

Sept.: "Equipment, Part 2, *p. 40.*

Oct.: "Equipment: Part 3," *p. 48.*

Nov.: "Reels," *p. 42.*

Dec.: "World Market Outlook," *p. 38.*

Chapter Corner

Conferences

(See Meetings, conferences and exhibitions)

Equipment

March: "Extruders," *p. 42.*

May: "Straighteners and welders," *p. 54.*

July: "Equipment: Part 1," *p. 64.*

Sept.: "Equipment: Part 2," *p. 46.*

Oct.: "Equipment: Part 3," *p. 46*

Exhibitions

(See Meetings, conferences and exhibitions)

Fastener Update

"NIFSCO show results, dates," *Jan., p. 25.*

"New website for Stillwater," *Jan., p. 25.*

"Fastener event in Singapore presents a gateway to Asia," *Feb., p. 30.*

"Company offers technology to create on-line catalogs," *Feb., p. 33.*

"Endries names new president," *Feb, p. 33.*

"NFDA spring meeting is in Arizona," *March, p. 28.*

"Program can make fastener distributors operate more effectively day-to-day," *March, p. 28.*

"'Fastener Week' to be held in 2005," *April, p. 30.*

"Kimball adds Midwest unit," *April, p. 30.*

"Textron opens Mississippi plant," *April, p. 30.*

"F&F Expo to be held in September," *May, p. 30.*

"New name for CBNSA reflects association's true range," *May, p. 30.*

"Anixter to buy fastener dist. DDI," *June, p. 24.*

"ISNTA warns of misleading labeling," *June, p. 28.*

"Merger bolsters Vertex's market share, presence," *June, p. 28.*

"CBSA to investigate fastener complaint," *July, p. 36.*

"India company opens China plant," *July, p. 36.*

"Two fastener guides offered," *July, p. 36.*

"Report sees growth for industrial fasteners through 2008," *Aug., p. 30.*

"Fastener company exec explains challenges, outsourcing," *Sept., p. 30.*

"Coating ends environmental woes for cold-forming operations," *Sept., p. 31.*

"Glovia to provide ERP for Rocknel," *Sept., p. 31.*

"Airbus plane to use Textron bolt," *Oct., p. 34.*

"ASTM symposium to focus on structural integrity," *Oct., p. 34.*

"Speer named ITW president," *Oct., p. 34.*

"Canadian agency imposes duties on certain imported Chinese fasteners," *Nov., p. 26.*

"Fasteners part of 2005 Chinese show," *Nov., p. 26.*

"Textron takes 'intelligent' focus," *Dec., p. 22.*

"ASTM standards book available," *Dec., p. 22.*

Fiber Watch

"Alcatel reports upgrade of Sea-Me-We cable system," *Jan., p. 24.*

"Corning introduces two 'optimized' optical fibers," *Jan., p. 24.*

"Fiber growth seen for U.S. building market next 5 years," *Feb., p. 28.*

"Alcatel reports Chinese contract," *Feb., p. 29.*

"Corning fiber to go to Panama," *Feb., p. 29.*

"FTTH part of a unique home," *March, p. 26.*

"Furukawa notes weak demand," *March, p. 26.*

"Overcapacity a major focus in fiber outlook report," *March, p. 26.*

"Berk-Tek and JDS Uniphase venture will offer advanced connectivity," *March, p. 27.*

"Alcatel and Draka to combine some cable units," *April, p. 28.*

"Magtrol notes 50th," *p. 18.*.

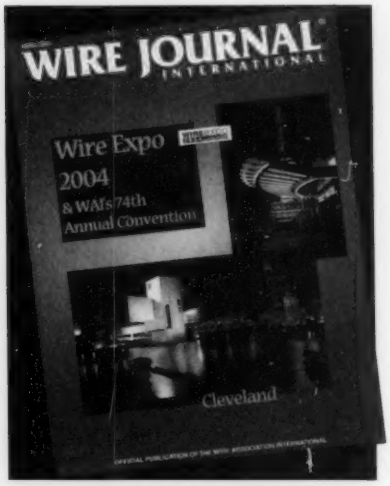
Industry News: February

"Teknor Apex unit completes major Singapore facility," *p. 12.*

"General Cable to reduce its operations in Marion, further cuts are possible," *p. 12.*

"ITC rules against strand sent to U.S.," *p. 12.*

"Superior Essex CEO sees both strengths and



potential for reorganized company," *p. 13.*

"DuPont Dow calls patented technology a 'breakthrough' for extrusion process," *p. 13.*

"Lincoln Electric Holdings agrees to buy three Chinese welding companies," *p. 14.*

"Nexans/Pirelli consortium lands major energy project," *p. 14.*

"Danieli reports contract," *p. 14.*

"Winners announced for 2004 Charles Scott Distinguished Career Award," *p. 16.*

"R/D Tech acquires NDT unit,"*p. 16.*

"Morgan gets Morocco job," *p. 16.*

"Copperweld Corp. out of Chapter 11," *p. 19.*

"SMS Mevac gets German contract," *p. 19.*

"Three M Tool acquires AcroMetal line," *p. 20.*

"Joint ATH venture to serve N. America,"p. *20.*

Industry News: March

"Belden and CDT to merge," *p. 10.*

"Latour and Macsoft part of new company," *p. 10.*

"Alcatel and Draka report plans to combine fiber/communication cable units," *p. 10.*

"Automatic system displayed at MGS Group R&D plant in Connecticut," *p. 11.*

"Keystone union nixes proposal," *p. 11.*

"CommScope completes Avaya buy," *p. 11.*

"Danieli commissions Mexican rod mill," *p. 11.*

"Bekaert steel cord plant in India is completed, has 5,000 ton capacity," *p. 12.*

"Davis-Standard sells line to Saudi Arabia company," *p. 12.*

"Kalmar has new Canadian location," *p. 12.*

"Rosendahl chosen as project supplier," *p. 12.*

"HOWAR reports project, new reel rep," *p. 13.*

"Encore reports strong sales, expansion," *p. 13.*

"Ideal-Werk acquires Clifford Engineering, will offer expanded product range," *p. 14.*

"Fusion UV names Asian representative," *p. 14.*

"AIM names Keegan as new rep," *p. 14.*

"Mexican PC strand producer accused of avoiding antidumping order," *p. 16.*

"First Intn'l to represent Gwo Lian," *p. 16.*

"Steel output figures for 2003 show China up by more than 20 percent," *p. 18.*

"AWCMA-VÖDKM names officers," *p. 18.*

"Rautomead International installing vertical casting system in Sweden," *p. 21.*

"ISW has new warehouse," *p. 21.*

"MACBEE sues former employees," *p. 21.*

"Weber is SMI president," *p. 21.*

"Dynapower reports order from Korea," *p. 22.*

"Davis-Standard notes sales force changes," *p. 22.*

"Australasian body names president," *p. 22.*

Industry News: April

"Phelps Dodge Corporation to consolidate in North American operations," *p. 10.*

"Keystone gets court relief," *p. 10.*

"Nexans contract hits new heights," *p. 10.*

"Nanowire can transmit light signal thicker than the wire, researchers report," *p. 11.*

"SMS Meer to update line," *p. 11.*

"Sterlite orders third line from Properzi," *p. 11.*

"Autoreel acquires Reelotech," *p. 12.*

"CDT unit awarded fighter jet contract," *p. 12.*

"ANS to acquire assets of microHelix division," *p. 12.*

"Charter Steel goes to new surcharge system," *p. 12.*

"Industry veteran opens new business: Performance Tooling & Equipment," *p. 13.*

"AXIS's ERP software chosen by C&M," *p. 13.*

"Canterbury names two exclusive agents," *p. 13.*

"Beta LaserMike receives patent for software offering immediate response," *p. 14.*

"Cable Consultants reports key changes," *p. 14.*

"Houghton part of new chemical services forum," *p. 14.*

"Bekaert financial update provides interesting view of industry's global shifts," *p. 16.*

"Pirelli Cables to supply Draka for U.K. market, reports on other contracts," *p. 20.*

"Spain's Electrorrec S.A. names representative," *p. 20.*

"WCISA adds five new member companies, names three new board members," *p. 21.*

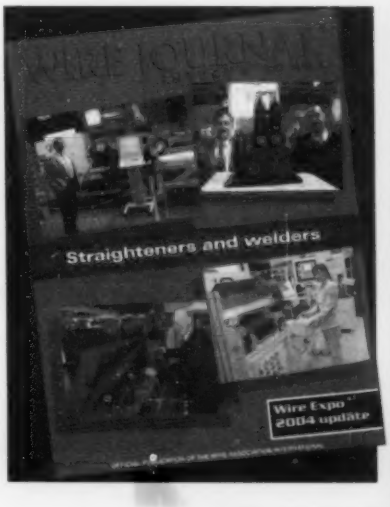
"Intermagnetics General reports HTS record," *p. 21.*

"AMSC reports record performances for its second-generation HTS wire," *p. 22.*

"Danieli reports on the status of contract in Peru," *p. 22.*

Industry News: May

"Belden agrees to sell certain communications cable assets to Superior Essex," *p. 10.*



"Furukawa and Fujikura to combine power units," *p. 10.*

"GMP-Slovakia names Ace Metal as N. American rep," *p. 10.*

"International Wire files for bankruptcy," *p. 10.*

"NEMA committee meeting message: counterfeit cables can be stopped," *p. 11.*

"Outokumpu Group agrees to a swap with SMI for its superconductor business," *p. 12.*

"Merritt reports new name, firm footing and one owner," *p. 12.*

"AMSC expands its HTS technology," *p. 14.*

"EMC reports equipment sale," *p. 14.*

"Amaral Associates expands base," *p. 14.*

"Recently formed wire and cable industry council has expanded membership," *p. 16.*

"Pourtier/Gauder Group reports delivery of 83rd rigid stranding line," *p. 16.*

"Mathiasen to sell casting line," *p. 16.*

"GCR Eurodraw reports China sale,"*p. 19.*

"WAFIOS gets tube bending rights," *p. 19.*

"NEPTCO tape range expands,"*p. 19.*

"Italy's Danieli updates 3 contracts," *p. 20.*

Industry News: June

"ISG in forefront for Georgetown Steel," *p. 10.*

"Canada imposes duties on U.S.," *p. 10.*

"Belden may close South Carolina plant," *p. 10.*

"Sumitomo to launch HTS wire," *p. 11.*

"Davis-Standard awarded extruder line contract from Saudi company," *p. 11.*

"OSHA reduces Ct. Steel violation fines," *p. 12.*

"Alcatel to buy Pirelli sub. telcom unit,"*p. 12.*

"Outokumpu to build rod plant in Iran," *p. 12.*

"Bekaert evaluating fencing unit, others," *p. 12.*

"ACM reports new U.K., Ireland reps," *p. 12.*

"ADC Telecommunications agrees to acquire the Krone Group," *p. 16.*

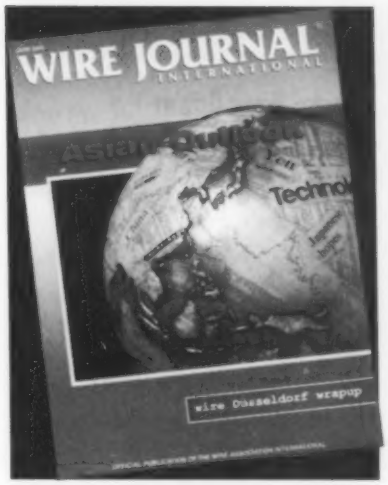
"Hudson Color Concentrates increases its manufacturing capacity by half," *p. 16.*

"Sjogren Industries reports plan to target expansion into Latin America," *p. 17.*

"RichardsApex adds ProCoat products," *p. 17.*

"ACS die unit reopens," *p. 17.*

"Morgan reports on contracts," *p. 18.*



"Nexans notes Libyan cable contract," p. *18.*

"AlphaGary parent grows," *p. 19.*

"Trio finalize HTS project deal," *p. 19.*

"'Lightning-proof' cable gets FAA ok," *p. 19.*

Industry News: July

"ISG winner for Georgetown Steel," *p. 14.*

"CommScope exits OFS," *p. 14.*

"Southwire acquires Alflex," *p. 14.*

"Surface Combustion part of project to eliminate weapons of mass destruction," *p. 15.*

"SMS commissions German rod mill," *p. 15.*

"Teknor Apex considers plant for recovering flexible vinyl compounds," *p. 16.*

"Caballe names TMS as its rep," *p. 16.*

"AMSC reports military contract," *p. 17.*

"U.S. ITC to continue PC strand duties," *p. 17.*

"Superior Essex completes Belden unit acquisition, plans capacity upgrade," *p. 18.*

"Nextrom buys Bullar soot technology," *p. 18.*

"New location for United Wire Co.," *p. 18.*

"Danieli reports on two projects," *p. 21.*

"ACM names Turkish rep," *p. 21.*

"Almatis to expand capacity," *p. 22.*

"New leaders are named for WICSA," *p. 22.*

"Alcatel wins Turkish project contract," *p. 22.*

"China firm orders two Holton lines," *p. 24.*

"EMCWA to hold expo in September," *p. 24.*

"Corning faces fiber dumping penalties," *p. 26.*

Industry News: August

"Belden-CDT merger approved," *p. 12.*

"Lincoln Electric completes three deals," *p. 12.*

"DSM Desotech expands operations," *p. 12.*

"IGC stresses HTS project technology," *p. 13.*

"Davis Wire parent company acquires strand line," *p. 14.*

"Millard Wire acquires Classic Wire," *p. 14.*

"Dynisco acquired by the Audax Group," *p. 14.*

"Nextrom enters joint venture in China," *p. 16.*

"Insteel sees better market conditions," *p. 16.*

"SMS finishes rod mill commissioning," *p. 20.*

"ISO's 'social responsibility' standard," *p. 20.*

"Wire & Cable Clubs of America being recreated, plans to offer more to members," *p. 22.*

"Outokumpu commissions Oman plant," *p. 22.*

"Condat celebrates 150th anniversary," *p. 25.*

"Saudi firm orders Danieli rolling mill," *p. 20.*

Industry News: September

"Stelco to close Hamilton rod mill," *p. 10.*

"Organizers change the schedule and site for 2004 Wire Asia show," *p. 10.*

"Fire at Seneca Wire plant forces temporary closing," *p. 10.*

"Heico gets okay to buy Ivaco units," *p. 11.*

"Belden CDT to close plant, dist. center," *p. 11.*

"Rautomead commissions rod caster," *p. 11.*

"Industry study predicts further steady growth for U.S. insulated market," *p. 11.*

"U.S. ITC continues existing duty orders on imported stainless steel wire rod," *p. 12.*

"Radyne opens sales office in Moscow," *p. 12.*

"South Africa wire association joins WCIC as an associate member," *p. 13.*

"Windings has packaging system patent," *p. 13.*

"Almatis ups alumina product prices," *p. 13.*

"Davis-Standard relocates its tech center, will hold extrusion workshop," *p. 14.*

"IWCS/Focus preview," *Oct., p. 46.*

"Fasteners part of 2005 Chinese show," Nov., p. 26,

"wire China wrapup," *Nov., p. 40.*

"'Call for Papers' is issued for Interwire 2005," *Nov., p. 29.*

"Electrical Manufacturing Expo in Indianapolis succeeds in living up to its theme," *Dec., p. 16.*

Technical Articles: Electrical/ Fiber Optics

"X-ray technology for jacketing lines: a tool to cut costs by material savings," by Harry Prunk, *Jan., p.67.*

"Hot water aging performance of silica optical fiber with single coating characteristics," by Sudipta Bhaumik, *Feb., p. 108.*

"High speed high efficiency UV curing for fiber optic and ribbon coloring applications," by John Maitland, *Feb., p. 113.*

"High performance magnet wires," by Gregory G. Kiproff and Ronald J. Beeckman, *June, p. 54.*

"System design for quality control in MV/HV electrical cable manufacturing," by Irtaza Barlas, Jordan L. Dorrity and Jackie Nguyen McGuinn, *June, p. 59.*

"Automatic spool package edge quality assessment and correction algorithm for winding applications," by Alex White and Lenson Wong, *June, p. 64.*

"Manufacturing of data communication cables using high-speed backtwist technology, and the impact of fluorinated ethylene propylene (FEP) on productivity," by Sean Harrington, *July; p. 70.*

"Serving today's non-lead, PVC needs of the wire and cable industry," by Mark Garretson, Al Drummond and Nate Sofer, *July; p. 75.*

"New flame retardant TPVs for electrical applications," by George Anthony and Joseph Pfeiffer, *Aug., p. 64.*

"Copper LAN cables: have they reached their speed limit?," by Jose Castro, *Aug., p. 75.*

"New technology for automation of the buffer tube process," by Werner Hörschläger, *Nov., p. 63.*

Technical Articles: Ferrous

"Troubleshooting cold heading die failures," by John Walters *Jan., p.52.*

"FEM modelling of drawing of wires for prestressed concrete," by Jan W. Pilarczyk, Jaros'aw Markowski, Henryk Dyja and Bogdan Golis, *Feb., p. 118.*

"Decarburization-free and soot-free batch-annealing with automated atmosphere control," by Chris Messina, Arno Muennich and Robert Blumenthal, *March, p. 62.*

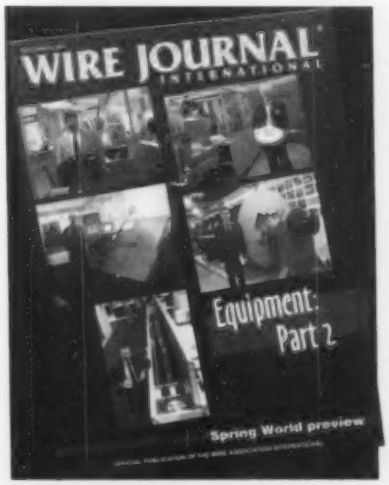
"Producing bar and wire with ultra-smoothing and lower residual stress by new drawing," by Motoo Asakawa, Tomohiro Hatakeyama, Youko Tamura, Satoshi Kajino, Shunsuke Shishido and Satoru Shimizu, *April, p. 144.*

"Modernization of Stelmor® conveyor systems for expanded process capability and improved product quality," by J.C. Vincent and B.V. Kiefer, *April, p. 158.*

"Statistical experimental study of electrolytic phosphate coating deposition," by Gabriel Kirsch, William C. Russell and Ken Hacias, *April, p. 162.*

"Development and validation of FEM models for wiredrawing," by Henrik Överstam and Magnus Jarl, *May; p. 73.*

"Drawn bars: influence of straightening conditions," by Barbara Rivolta, Giuseppe Silva, Marco Rota and Mario Cusolito, *May; p. 77.*



"Alternatives to lead bath for patenting of high carbon steel wire," by Tomas Berntsson, Edin Sapcanin, Magnus Jarl and Soren Segerberg, *May; p. 82.*

"Exhaust™ F1, a ferritic grade for exhaust applications," by N. Renaudot, R. Kadiyala and R. Schwartz, *May; p. 86.*

"E-Phos™ technology for wiredrawing," by Giorgio Cortellaro, Emilio Bucci, Piermario Anelli and Masayuki Yoshida, *June, p. 86.*

"Development of Zn-11%Al-2%Mg coated steel wire with excellent corrosion resistance and formability," by Satoshi Sugimaru, Seiki Nishida, Yoshitaka Nishikawa, Koji Yoshimura, Satoru Tanaka, Atsuhiko Yoshie and Kohsaku Ushioda, *July; p. 60.*

"Design of a drawing process of ASTM A 407 wire without intermediate patenting," by B.L. Vázquez, C.E.M. Sánchez and S.R.G. Zavala, *July; p. 65.*

"Status of European research in the field of wire rods and high-strength wires," by Paolo Folgarait and Ettore Anelli, *Aug., p. 69.*

"Status of European research in the field of wire rods and high-strength wires," by Paolo Folgarait and Ettore Anelli, *Sept., p. 62.*

"Evolution of cold mechanical deformation in carbon steel wires," by Emanuel Zinutti, Fabio Miani, Angelo Zinutti and Giancarlo Saro, *Sept., p. 66.*

"Antithrombogenic oxide film on stainless steel for cardiovascular applications," by Chun-Che Shih, Chun-Ming Shih, Yea-Yang Su and Shing-Jong Lin, *Oct., p. 64.*

"Description of the wiredrawing of a rod based on the crystalline-based plasticity," by Carlo Mapelli, *Oct., p. 70.*

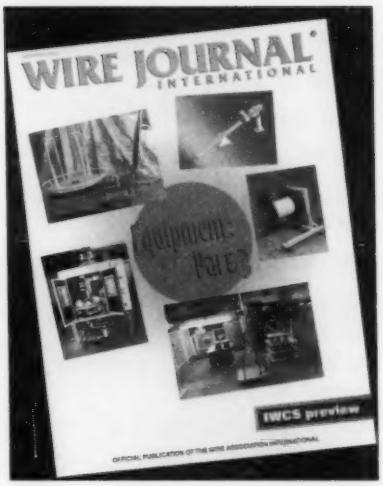
"Steel cord production from continuous cast-billets at ISPAT HSW," by Michael Klemm, *Oct., p. 76.*

"Influence of time of room temperature aging of drawn high carbon steel wires on their mechanical properties and DSC and TEP characteristics," by Jan W. Pilarczyk, Etienne Aernoudt, Jan Van Humbeeck, Zbigniew Muskalski, Zygmunt Nitkiewicz and Tomasz Malecki, *Nov., p. 72.*

Technical Articles: General

"Optimizing processes in the wire and cable industry," by Michel Galopin and Lundi Bour, *Feb., p. 102*

"Flow stresses for the modeling of stainless steel and nickel wire drawing," by Chitra Baid and Roger N. Wright, *March, p. 66.*



Technical Articles: Mordica Lectures

"Mechanics of wire rope," by Prof. George Costello, *November, p. 56.*

"Between two Mordica Awards: 1973-2003," by Giulio Properzi, *Dec., p. 67.*

Technical Articles: Nonferrous

"Modeling the drawing of ultrafine wire," by Roger N. Wright, *Jan., p.56.*

"EMAT-based ultrasonic inspection of continuously cast rod for internal flaws," by Jeffrey S. Monks *Jan., p.58.*

"Drawing of stainless shaped steel microwire of 400-600 µm size," by Kazunari Yoshida, Dilok Sriprapai, Tetsuo Shinohara and Toshi Imai, *March, p. 56.*

"New perspectives on annealing analysis," by By Gil Baker and Horace Pops, *March, p. 70.*

"Continuous cast filtration concepts," by Joe Scalise, *April, p. 152.*

"Drawability of fire-refined copper in a multiwire at high speed," by Núria Sirvent Canadell and Miguel Garcia Zamora, *Sept., p. 58.*

"Advances in concentricity and wall thickness measurement of cable primaries using ultrasonic technology," by Ron Adkins, *Sept., p. 75.*

"Improving the 'rod to wire' chain—the UPCAST® rod," by Lauri Eklin, Hüdai Kocabalkanli and Juan Carlos Bodington, *Nov., p. 58.*

"Copper wiredrawing lubricants—tribology, chemistry and technology," by Heinz Dwuletzki, *Nov., p. 67.*
